### A comprehensive programme of English language learning, teaching and assessment

We offer learning, teaching and assessment support designed to motivate students to learn and measure their progress using international standards.

### Why choose Cambridge English for Schools exams for your students?

You will be preparing your students to achieve one of the most valuable English qualifications in the world, accepted by over 25,000 organisations internationally. There are many benefits, both for you and your students:

- ◆ **Motivate your students:** our Cambridge English for Schools range of exams has been created specifically for children and young people.
- ◆ See the progress your students are making in English – all our exams are linked to the Common European Framework of Reference for Languages (CEFR) – the **internationally agreed standard** to describe language ability.
- ◆ Prove the success of your English language programme – **get objective evidence** that your students are making progress and meeting international standards.
- ◆ **Make English relevant** – our exams cover all four language skills, and test real communicative language ability.
- ◆ Improve students' English **one step at a time** – our exams start at beginner level and go through to higher level exams, so your students can build their confidence step by step.
- ◆ **Get unrivalled support** – we offer a range of innovative learning resources and teaching support for you and your students. High - quality training and professional development is available to help you develop your skills further too.
- ◆ **Open up a world of possibilities** for your students – by taking our exams as they progress through school, your students will have a significant advantage when they are ready to apply for higher education or work.
